

# NEW TO THE NEIGHBORHOOD? LONG-TIME RESIDENT?

**JOIN.** ENP patrols occur at all hours of the day and night. Times vary in order to keep criminals on their toes. The number of patrol hours depends completely on the number of paid members. For this reason we urge each household to consider joining the ENP program.

To become an ENP member the cost is \$200.00 per household annually (that's \$0.55 per day).

To join, go to ENP/Crime Watch page on our website: [www.hsmna.org](http://www.hsmna.org) and make your selection to pay by credit card. Or fill out the form below and mail it with your check to:

**EITHER WAY - YOU SHOULD JOIN ENP**

**ENP.** We live in a relatively crime-free neighborhood, where it's safe to walk around at night and spend time at the park. Why do we need ENP? Safety is the #1 concern of homeowners in our neighborhood and we have definitely seen a decrease in criminal activity since the ENP program began in 2005.

Expanded Neighborhood Patrol is a program created by the city of Dallas that allows neighborhoods to employ off-duty police officers to supplement standard patrol hours. These officers are armed, trained to make arrests, issue citations, etc. They patrol in a squad car fully equipped, which allows officers to monitor 911 calls, suspicious person reports, check outstanding warrants, stolen cars and other violations.

#### **Benefits of membership in HSMNA ENP:**

- *Surveillance of your home when you are out of town*
- *Surveillance of the construction site when your home is being remodeled*
- *ENP officers are available for a security review of your property and can provide tips to make it safer*
- *Your contact information (cell phone number and email) is provided to the ENP officers*
- *Faster response times to 911 calls when officer on duty*
- *Yard sign indicating you are an ENP member and support keeping our neighborhood safe!*

#### **Other services to the neighborhood:**

- *The ENP officers work directly in our community and are involved in neighborhood events*
- *Professional criminals and vandalism/malicious mischief will be deterred*
- *Reckless/speeding drivers will be better monitored*
- *Illegal door-to-door solicitation/handbills will be reduced*
- *More surveillance of Lindsley Park, Santa Fe Trail and the neighborhood schools*
